

CONTRACT DUMPER

SOLID AS A ROCK...

Designed for hauling aggregates in severe off-road conditions, the quality, reliability and durability of our Contract Dumper is everything you'd expect from a Bailey trailer.

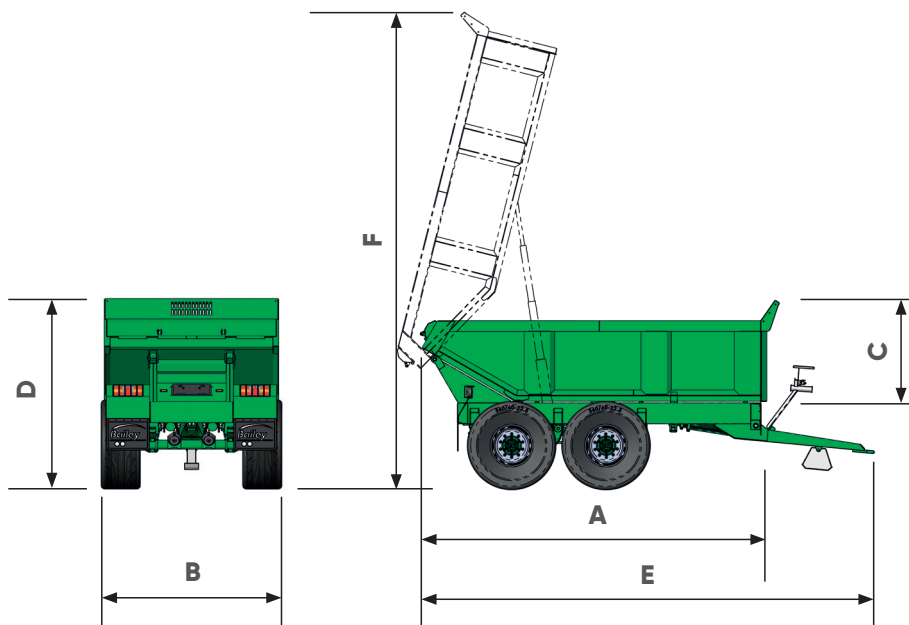

Our Contract Dumper is rock solid. The floor thickness increases per the size of trailer – 6 mm floor (4 tonne), 8 mm floor (8, 10, 12, 14 tonne) and 10mm floor (17, 20 & 22 tonne). The RHS top chassis includes a RHS cross member and 4 mm sides (4 tonne), 6 mm sides (8, 10, 12 & 14 tonne) and 8 mm (17, 20 & 22 tonne) with RHS frame. A deep section box is fitted to withstand stone, concrete, rubble and other hardcore materials.

A heavy-duty RHS bottom chassis is mounted on a heavy-duty tandem spring unit.

STANDARD FEATURES

- CD4-CD14 independent hydraulic brakes
- CD17-CD22 Air brakes and load sensing
- Heavy-duty EN8 towing eye
- Parking brakes
- Hydraulic hose carrier
- Metal mudguards with flaps
- Front aggregate guard
- LED lights to RTA
- LED beacon
- Chromed rams
- Body prop
- Skid & skid carrier
- Anti-chip paint on headboard
- Hydraulic hose carrier
- Sprung drawbar
- CD 17-22
- Colour coded pipes
